

(Jimmy Buffett Concert 2017)

Toyota Stadium Concert Exit Routes

Your exit route will be based on where you park.

Exit routes are limited after a concert in order to minimize congestion by reducing points where traffic flows cross each other. Barricades will be in place and police officers will direct traffic along the routes shown.

Not all parking lots may be available for every event. Look for signs and parking attendants.
This is only a general guide to the likely exit route for each parking area.
Exit routes may be changed by police or engineering staff depending on traffic conditions at the time.
