Best Management Practices for WaterWise Outdoor Watering

- Watering is permitted once per week on your regular residential trash/recycling day.
- Save water and money. Keep sprinkler systems turned off until data from Frisco's weather station indicates watering is needed.
- No watering 10 am – 6 pm during Daylight Savings Time.
- Watering using a hand-held hose allowed up to two hours daily.
- Watering using drip irrigation, bubblers, and soaker hoses allowed up to two hours daily.
- Schedule a FREE sprinkler system checkup with a City of Frisco licensed irrigator.

Best Management Practices For Being WaterWise

Join the effort to use water more efficiently by watering only when necessary, based on the City of Frisco's own weather station data.

Current Watering Schedule

If watering is necessary, watering with automatic spray or hose-end sprinklers is permitted on the regularly scheduled residential trash collection day.

Keep your sprinkler system turned OFF and check our website for watering recommendations based on Frisco's weather station data.

No outdoor watering 10:00 a.m. to 6:00 p.m. during Daylight Savings Time.

A second watering day is allowed **only** if recommended by Frisco's weather station.
